On behalf of the people of Tigray, we want to express our immense gratitude to you for your generous donation of CHF 85,994.00 or EUR 90,500.95 as a contribution to the Mekete 3 fund.

The money will be used to help mitigate the worsening humanitarian crisis in Tigray and will surely have a measurable and lasting impact on the lives of Tigrayans that have been affected by the genocidal war inflicted on them and stripped them off all types of human necessities. Donations like yours will continue to provide lifesaving response to our people in Tigray.

This letter provides written acknowledgment that the Tigray Community Association in Switzerland provided no goods or services in consideration of your gift of CHF 85,994.00. Please keep this letter as a receipt for your tax purposes.

Again, we sincerely thank for your support to the people of Tigray.

All donations made to
this effort are directly
benefit to the People of
Tigray in this dire
moment.

Best regards,

Yohannes Adhanom

Chairman, Tigray Community Switzerland
